Hong Kong

Academy

Profile:

Progressed to: University of Warwick to read Economics

Having completed seven CEEs (equivalent to GCSEs) in Hong Kong, I decided to follow in my brother's footsteps and come to the UK to study at Uxbridge College.

In my first year I studied GCSE English and AS Levels in Mathematics, Further Mathematics, Chemistry and Politics. I achieved A grades and I continued to study them at A Level.

I loved everything about Uxbridge College - from the well prepared and enjoyable lectures to the great social activities for students. I received excellent support and advice from my tutors and from the International Officer.

Studying away from my home country has given me the opportunity to become more independent, broaden my horizons and meet people from all cultures. I would definitely recommend Uxbridge College as it's a great place to study and has high quality teaching standards and different teaching methods.
