

Get into Apprenticeships at Uxbridge College

Think an Apprenticeship isn't for you? Think again!

Apprenticeships offer an opportunity to learn new things, experience work and get paid. It doesn't matter what your background is, we can help you get started.

1 Almost Ready?

Need to brush up on your skills? Our free two day course will help you prepare for the world of work. You can improve your customer service skills, prepare for interviews, refresh your IT knowledge and get help with presentation techniques and improve your confidence.

2 Get Set...

After completing the course, we will help you to look for the right apprenticeship. We work with a variety of companies in a range of industry areas including engineering, construction, IT and many more. We will match you to the right employer and guide you through the interview process.

3 Go!

Once you get your apprenticeship, we will continue to supporting you, keeping in contact with you at College and visiting you at your workplace.
