Functional Skills English - Entry Level

Entry requirements:

Grade F or G/grade 1 in a GCSE or if you have no formal English qualifications.

Who is the course for?

Functional Skills Entry Level 3 is for anyone who needs to work on developing their reading and writing skills to work towards English at a higher level. Improving your reading, writing and speaking and listening skills will enable you to operate confidently, effectively and independently in life and in the workplace.

Examining Board: Pearson (Edexcel)

Course Contents:

In your English lessons, you will work on reading and writing tasks which will help you in life and on your course. These include:

- writing formal letters (job application letters, letters of complaint)
- writing emails
- writing notes
- improving reading skills
- improving spelling, punctuation and grammar

You will be able to gain an Entry level qualification when you pass reading, writing and speaking and listening.
